MARKETING MESSAGE

Tired of scrubbing your floors? Let the BISSELL SpinWave Cordless do it for you. The powered hard floor mop now has cordless convenience! Designed for cleaning hard floors like tile, linoleum, vinyl flooring and hard wood floors. This versatile machine comes with a set of soft cleaning pads; good for everyday cleaning and scrubby pads; for tough, sticky messes. Power spin pads reduce the cleaning effort, while giving you a hands-and-knees clean. The system allows you to control how much water is released to apply the optimal wetness to thoroughly clean hard floors.
